Job Opportunity: Plumbers

CalMax Construction Limited is seeking qualified and experienced **Plumbers** to join our expanding team and support a variety of domestic and commercial projects across the Western Isles. This is an excellent opportunity to become part of a reputable and forward-thinking company delivering high-quality construction and civil engineering works.

Why Join CalMax Construction?

Competitive Remuneration:

We offer excellent rates of pay that reflect experience, skill, and commitment.

Professional Development:

We actively support training and certification to encourage career growth and continued professional development.

Employee Benefits:

Long term employees enjoy additional incentives, rewards, and recognition for their service. Comprehensive private healthcare is included for all permanent staff.

Company Van:

Provided for business use to support efficient travel between projects.

Candidate Profile:

We are looking for motivated, reliable, and skilled Plumbers who take pride in their work. Applicants should demonstrate strong problem-solving abilities, technical expertise, and a commitment to delivering safe, efficient, and high-quality plumbing solutions.

Essential Criteria:

- **Full UK Driving Licence – Essential**
- **Recognised Plumbing Qualification (SVQ/NVQ Level 3 or equivalent)**
- **Proven experience in domestic or commercial plumbing installations and maintenance.**
- **Experience in Renewables & OFTEC (Oil Boilers)**

Key Responsibilities:

- Install, repair, and maintain plumbing systems in line with project specifications and building standards.
- Conduct testing, commissioning, and inspection of completed systems.
- Work collaboratively with colleagues, site managers, and clients to ensure projects are completed to specification.
- Adhere to all health and safety requirements and company policies at all times.

This role is ideal for qualified plumbers looking for stable, long-term employment with a growing company that values skill, reliability, and quality workmanship.

If you meet the above criteria and are interested in joining our team, we invite you to apply and contribute to the continued success of CalMax Construction Limited.
